## Program

The preschool's activities are planned to benefit the child physically, mentally, socially, creatively, and intellectually. There will be new lesson plans created weekly. Our program will include the following daily activities: calendar, songs, letter, numbers, shape, color recognition, art, science, and free play. Throughout the month there will be special events going on as well as field trips, special visits with our senior friends, cooking projects, themed parties, and special birthday celebrations.

## Monthly Rates

February/March/April/May are at a regular 4 hour school day 8:30-12:30  
Summer extended program is June/July/August (information to come)
